Issuing Sugar 11 and Sugar 16 delivery notices and reporting Open Positions using eCOPS.

Dear Member,

ICE Futures U.S., Inc. has scheduled the next release of eCOPS for the March Sugar 11 and 16-delivery cycle. The release provides the ability to issue Sugar 11 and Sugar 16 delivery notices to ICE Clear directly from eCOPS. In addition, all spot month position reporting for Coffee, Cocoa, FCOJ, Sugar 11, and Sugar 16, will be entered into eCOPS starting with the March delivery cycle. Cotton is scheduled to be available on eCOPS for the May 2011 delivery. **Web Cops will not be available to issue Sugar notices or enter spot month open positions.**

Listed below are the start dates to enter open positions by product and eReports available for Sugar notices.

Product		eCOPS Position Reporting Date
Sugar 16	(SF)	February 8, 2011
Cocoa	(MET)	February 11, 2011
Coffee	(KC)	February 16, 2011
Sugar 11	(SB)	February 28, 2011
FCOJ	(OJ)	February 28, 2011

The new ereports can be found in the FCM folder on Crystal and will replace the Webcops screens previously used.
