The Exchange reviewed the designated contracts market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Contract may have some bearing on the following Core Principles:

- **Compliance with Rules:** Trading in the Contracts will be subject to Chapter 4 of the Exchange rules which includes prohibitions against fraudulent, non-competitive, unfair, and abusive practices and will be subject to extensive monitoring and surveillance by CME Group’s Market Regulation Department. The Market Regulation Department may use its investigatory and enforcement power where potential rule violations are identified during its regular surveillance reviews.
- **Contracts Not Readily Subject to Manipulation:** The Contracts are based on a cash price series that is reflective of the underlying cash market and is commonly relied on and used as a reference price by cash market brokers and commercial market participants.
- **Prevention of Market Disruption:** Trading in the Contracts will be subject to the Rules of the Exchange include prohibitions on manipulation, price distortion, and disruption to the cash settlement process. As with any new product listed for trading on a CME Group designated contract market, trading activity in the Contract proposed herein will be subject to monitoring and surveillance by CME Group’s Market Regulation Department.
- **Position Limitations or Accountability:** The speculative position limits for these Contracts as demonstrated in this submission are consistent with the Commission’s guidance.
- **Availability of General Information:** The Exchange will publish information on the Contract’s specification on its website, together with daily trading volume, open interest and price information.
- **Daily Publication of Trading Information:** Trading volume, open interest and price information will be published daily on the Exchange’s website and via quote vendors.

- **Execution of Transactions:** The Contracts will be listed for trading on the CME Globex electronic trading and for clearing through CME ClearPort. The CME Globex electronic trading venue provides for competitive and open execution of transactions. CME Globex affords the benefits of reliability and global connectivity.
- **Trade Information:** All requisite trade information for the Contracts will be included in the audit trail and is sufficient for the Market Regulation Department to monitor for market abuse.
- **Financial Integrity of Contracts:** The Contracts traded on the Exchange will be cleared by the CME Clearing House.
- **Protection of Market Participants:** Chapter 4 contains multiple prohibitions precluding intermediaries from disadvantaging their customers and which apply to trading on all of the Exchange's competitive trading venues.
- **Disciplinary Procedures:** Chapter 4 of the Rulebook contains provisions that allow the Exchange to discipline, suspend or expel members or market participants that violate the Rulebook. Trading in the Contract will be subject to Chapter 4, and the Market Regulation Department has the authority to exercise its enforcement power in the event rule violations in this product are identified.
- **Dispute Resolution:** Disputes with respect to trading in the Contracts will be subject to the arbitration provisions set forth in Chapter 6 of the Rulebook. Chapter 6 allows all non-members to submit a claim for financial losses resulting from transactions on the Exchange to arbitration. A member named as a respondent in a claim submitted by a non-member is required to participate in the arbitration pursuant to Chapter 6. Additionally, the Exchange requires that members resolve all disputes concerning transactions on the Exchange via arbitration.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.2(a), the Exchange certifies that the Contract complies with the Act, including regulations under the Act. There were no opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (312) 466-7478 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Timothy Elliott
Managing Director and Chief Regulatory Counsel

CBOT Rulebook Chapter 14Y

Black Sea Wheat (CVB) Financially Settled (Argus) Futures

14Y100. SCOPE OF CHAPTER

The provisions of these rules shall apply to all contracts bought or sold on the Exchange for cash settlement based on the Floating Price. The procedures for trading, clearing and cash settlement of this contract, and any other matters not specifically covered herein shall be governed by the general rules of the Exchange.

14Y101. CONTRACT SPECIFICATIONS

The Floating Price for each contract month shall be equal to the arithmetic average of the "12.5% Romania-Bulgaria fob CVB" under the heading "Wheat \$/t" as published by Argus Media in the Argus AgriMarkets report for each day that it is determined from and including the 1st calendar day of the contract month to and including the 15th calendar day of the contract month.

The Floating Price shall be rounded to the nearest \$0.01.

14Y102. TRADING SPECIFICATIONS

The number of months open for trading at a given time shall be determined by the Exchange.

14Y102.A. Trading Schedule

The hours of trading for this contract shall be determined by the Exchange.

14Y102.B. Trading Unit

The contract quantity shall be fifty (50) metric tons.

14Y102.C. Price Increments

Prices shall be quoted in U.S. dollars and cents per metric. The minimum price fluctuation shall be \$0.25 per metric ton or \$12.50 per contract. The final settlement price shall be rounded to the nearest \$0.01.

14Y102.D. Price Limits

The initial daily price limit for Black Sea Wheat (CVB) Financially Settled (Argus) Futures will be \$45. Should two or more Black Sea Wheat (CVB) Financially Settled (Argus) Futures contract months, excluding the contract month, which is in its final settlement price calculation period, settle at limit, the daily price limits for all contract months shall be \$67.50 the next business day. If no Black Sea Wheat (CVB) Financially Settled (Argus) Futures contract month settles at the expanded limit the next business day, daily price limits for all contract months shall revert back the following business day to the pre-expansion price limit. There shall be no price limits on a contract month during its final settlement price calculation period. The final settlement price calculation period are all settlement days from and including the 16th calendar day in the 2nd month prior to the contract month to and including the 15th calendar day in the month prior to the contract month.

Daily price limits for Black Sea Wheat (CVB) Financially Settled (Argus) Futures are reset every six months, on the first trading day in May and the first trading day in November. For the May reset, daily settlement prices are collected for the nearest June contract month over 45 consecutive trading days before and on the business day prior to April 16th. For the November reset, daily settlement prices are collected for the nearest December contract month over 45 consecutive trading days before and on the business day prior to October 16th. The average of these daily settlement prices is calculated, and the new daily price limit shall be 20% of this average price rounded to the nearest \$5.

There shall be no trading in Black Sea Wheat (CVB) Financially Settled (Argus) Futures at a price more than the price limit above or below the previous day's settlement price.

Should two or more Black Sea Wheat (CVB) Financially Settled (Argus) Futures contract months, excluding the contract month, which is in its final settlement price calculation period, settle at limit, the daily price limits for all contract months shall increase by 50 percent the next business day. If no Black Sea Wheat (CVB) Financially Settled (Argus) Futures contract month settles at the expanded limit the next business day, daily price limits for all contract months shall revert back the following

business day to the preexpansion price limit. There shall be no price limits on a contract month during its final settlement price calculation period. The final settlement price calculation period are all settlement days during the contract month.

14Y102.E. Position Limits, Exemptions, Position Accountability and Reportable Levels

The applicable position limits and/or accountability levels, in addition to the reportable levels, are set forth in the Position Limit, Position Accountability and Reportable Level Table in the Interpretations & Special Notices Section of Chapter 5. A Person seeking an exemption from position limits for bona fide commercial purposes shall apply to the Market Regulation Department on forms provided by the Exchange, and the Market Regulation Department may grant qualified exemptions in its sole discretion. Refer to Rule 559 for requirements concerning the aggregation of positions and allowable exemptions from the specified position limits.

14Y102.F. Termination of Trading

Trading terminates on the 15th calendar day of the contract month. If the 15th calendar day of the contract month is not a business day in London, trading shall terminate on the business day (in London) immediately preceding the 15th calendar day of the contract month.

14Y103. FINAL SETTLEMENT

Final settlement under the contract shall be by cash settlement. The final settlement price will be the Floating Price calculated for each contract month.
