Core Principle 4 – Prevention of Market Disruption

Trading in the Contract will be subject to CME Rulebook Chapters 4 and 7, which include prohibitions on manipulation, price distortion, and disruption to the expiration and assignment process. Trading activity in the Contract will be subject to monitoring and surveillance by CME Group’s Market Regulation Department.

CME Group maintains an index license and information sharing agreement with FTSE Russell who administer the CoreCommodity CRB® Indices. CME Group also maintains a license agreement with the Intermarket Surveillance Group (“ISG”) as it relates to competitor exchange data.

Core Principle 5 – Position Limits or Accountability

The Contract shall be subject to a Position Reporting Level of 200 contracts and to a Single Month and All Month Position Limit of 100,000 contracts. The speculative position limits for the Contract are consistent with the Commission’s guidance.

Core Principle 7 – Availability of General Information

Core Principle 11 – Financial Integrity of Transactions

The Contract shall be cleared by CME Clearing, which is registered with the Commission as a derivative clearing organization, and which is subject to all CFTC regulations related thereto.

Core Principle 12 – Protection of Markets and Market Participants

Chapters 4 and 5 in the CME Rulebook set forth multiple strictures that preclude intermediaries from disadvantaging their customers. These Rules apply to trading in the Exchange's competitive trading venues and will apply to transactions in the Contract.

Core Principle 13 – Disciplinary Procedures

Chapter 4 of the CME Rulebook provides for the Exchange to discipline, suspend, or expel members or market participants who violate the rules of the Exchange. Trading in the Contract shall be subject to these provisions. The Exchange's Market Regulation Department has the authority to exercise its powers of enforcement, in the event that rule violations in the Contract are identified.

Core Principle 14 – Dispute Resolution

Disputes in respect of the Contract shall be subject to the arbitration provisions set forth in Chapter 6 of the CME Rulebook, which allows all nonmembers to submit to arbitration claims for financial loss resulting from transactions on the Exchange.
