

## CFE Modified Trading Hours for the Independence Day Holiday

Reference ID: C2020061700

### Overview

This notice sets forth the modified trading hours on Cboe Futures Exchange, LLC (CFE) for Cboe Volatility Index (VX) futures, AMERIBOR (AMB3, AMB1, and AMW) futures, and all other CFE products for the Independence Day Holiday.

### Trading Schedule for Thursday, July 2, 2020

CFE will have normal trading hours for all products on Thursday, July 2, 2020.

### Holiday Trading Schedule for Friday, July 3, 2020

#### **VX and AMERIBOR Futures**

The schedule below will apply for the Friday, July 3, 2020 holiday trading session in VX and AMERIBOR futures, including Trade at Settlement (TAS) transactions in VX futures (VXT):

| Type of Trading Hours | Friday, July 3, 2020                                            | Monday, July 6, 2020                                                                                                                   |
|-----------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Extended              | 5:00 p.m. (Thursday) to 10:30 a.m. CT for VX, VXT, and AMERIBOR | 5:00 p.m. (Sunday) to 8:30 a.m. CT and 3:30 p.m. to 4:00 p.m. CT for VX and AMERIBOR<br><br>5:00 p.m. (Sunday) to 8:30 a.m. CT for VXT |
| Regular               | None for VX, VXT, and AMERIBOR                                  | 8:30 a.m. to 3:15 p.m. CT for VX and AMERIBOR<br><br>8:30 a.m. to 3:13 p.m. CT for VXT                                                 |

Trades in VX (including VXT TAS transactions) and AMERIBOR futures during the July 3, 2020 holiday trading session will be submitted for clearing on the Business Day of Monday, July 6, 2020.

A holiday trading session includes extended trading hours on the calendar day of the holiday and any

extended trading hours for the holiday on the previous calendar day. In this case, the Independence Day holiday is being observed on July 3, 2020 and the calendar day of the holiday is July 3, 2020. Holiday trading sessions are not separate Business Days and are part of the next Business Day.

The daily settlement prices for the combined Business Day that encompasses the holiday trading session on Friday, July 3, 2020 and the extended and regular trading hours for Monday July 6, 2020 will be determined on Monday, July 6, 2020.

### **All Other Products**

Trading will be closed for all CFE products other than VX and AMERIBOR futures on Friday, July 3, 2020.

## **ECRP Transactions and Block Trades**

### **VX and AMERIBOR Futures**

Exchange of Contract for Related Position (ECRP) transactions and Block Trades in VX and AMERIBOR futures (including VXT TAS transactions) may be consummated during the July 3, 2020 trading session if they satisfy all of the following three requirements. The ECRP or Block Trade:

- (i) must be agreed to during a queuing period or the applicable trading hours during the July 3, 2020 trading session;
- (ii) must be fully reported to CFE by no later than 30 minutes after the transaction is agreed upon for an ECRP transaction and by no later than 10 minutes after the transaction is agreed upon for a Block Trade; and
- (iii) must be fully reported to CFE within a queuing period or the applicable trading hours during the July 3, 2020 trading session.

An ECRP transaction or Block Trade may not be reported during the suspension period between 10:30 a.m. CT on Friday, July 3, 2020 and 4:00 p.m. CT on Sunday, July 5, 2020

Additionally, ECRP transactions and Block Trades must be reported through the CFE Block Trade/ECRP Reporting Tool as is the case on regular trading days.

### **All Other Products**

No ECRP transactions or Block Trades may occur in any CFE products other than VX and AMERIBOR futures on July 3, 2020.

## **Submission Time Frames for the Independence Day Holiday**

The chart below sets forth the applicable time frames for the submission of Orders (including Cancel Orders and Cancel Replace/Modify Orders) in VX and AMERIBOR futures, including Quotes and Orders in VXT TAS transactions unless otherwise indicated, in connection with the Independence Day holiday.

| Calendar Day             | Time Frame                                                                                                         | State of CFE's System  | What May be Submitted to CFE's Trading System                                                                         |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Thursday<br>July 2, 2020 | 4:00 p.m. CT to system restart (which occurs sometime between 4:05 p.m. to 4:45 p.m. CT)                           | Suspended              | Nothing                                                                                                               |
| Thursday<br>July 2, 2020 | System restart (which occurs sometime between 4:05 p.m. to 4:45 p.m. CT) to 4:45 p.m. CT                           | Suspended              | Cancels for persisted Good-'til-Canceled (GTC) and Good-'til-Date (GTD) Orders from prior trading date                |
| Thursday<br>July 2, 2020 | 4:45 p.m. to 5:00 p.m. CT*                                                                                         | Queuing Period         | Orders (except Market, Immediate or Cancel (IOC), and Fill or Kill (FOK) Orders)**<br>TAS Quotes and Orders for VXT** |
| Friday<br>July 3, 2020   | 5:00 p.m. (Thursday, July 2, 2020) to 10:30 a.m. CT                                                                | Extended Trading Hours | Orders (except Market Orders)<br>TAS Quotes and Orders for VXT**                                                      |
| Sunday<br>July 5, 2020   | 10:30 a.m. CT (Friday, July 2, 2020) to system restart (which occurs sometime between 10:00 a.m. to 10:15 a.m. CT) | Suspended              | Nothing                                                                                                               |
| Sunday<br>July 5, 2020   | System restart (which occurs sometime between 10:00 a.m. to 10:15 a.m.) to 4:00 p.m. CT                            | Suspended              | Cancels for persisted Quotes, Day, GTC, and GTD Orders from holiday trading session                                   |
| Sunday<br>July 5, 2020   | 4:00 p.m. to 5:00 p.m. CT                                                                                          | Queuing Period         | Orders (except Market, IOC, and FOK Orders)**<br>TAS Quotes and Orders for VXT**                                      |
| Monday<br>July 6, 2020   | 5:00 p.m. (Sunday, July 5, 2020) to 8:30 a.m. CT                                                                   | Extended Trading Hours | Orders (except Market Orders)<br>TAS Quotes and Orders for VXT                                                        |

\*The queuing period at the beginning of a Business Day for VX and AMERIBOR non-TAS single leg contract expirations and non-TAS spreads commences at the referenced start time for the queuing period plus a randomized time period from zero to three seconds. The queuing period at the beginning of a Business Day for VX TAS single leg contract expirations and TAS spreads commences at the referenced start time for the queuing period plus a randomized time period from three to six seconds.

\*\*Orders and Quotes permitted to be submitted to CFE's trading system during these times are not

executable until extended trading hours next commence.
