A.M. Settlement Confirmations

Settlement variation and performance bond cash call/release amounts resulting from Thursday, March 24th, RTH settlement cycles will be confirmed by the settlement banks by 7:30 a.m. on Friday, March 25th. Settlement banks will process cash flows resulting from Thursday's RTH settlement cycle on Friday, March 25th.

As securities near their maturity date, the values of these assets can change, this can result in a change to their Performance Bond values at CME. With this, you may see changes in the asset values on deposit with CME on Monday morning after the holiday. Increase/decrease in the values of these collateral assets from Thursday to Friday may result in PB call/release, which would be banked on Monday morning. These PB calls/releases would be banked in addition to the regular RTH settlements for Thursday and Friday.

SVIEF for March 24th and March 25th RTH settlements will be for value date March 28th.
