24<sup>th</sup> February 2025

Circular No. DT/AM – 15 of 2025

### **Revision of T+1 Session Trading Hours for SGX Equity Index Futures/Options, Dividend Index Futures and United States Single Stock Futures (US SSFs)**

The Exchange would like to inform market participants that with effect from **Monday, [7] April 2025**, the T+1 session trading hours for SGX Equity Index Futures, Dividend Index Futures and US SSFs (“Equity Futures”) and SGX Equity Index Options (“Equity Options”) (collectively, the “Equity Derivatives Contracts”) will be revised as follows<sup>1</sup>:

- i. Commencement of T+1 session pre-open routine for Equity Futures will be brought forward by 10 minutes;
- ii. T+1 session pre-open routine for Equity Futures will be reduced from 10 to 5 minutes; and
- iii. T+1 session opening time for Equity Options will be aligned with the corresponding Equity Futures.

There will be no change to the T session trading hours for the Equity Derivatives Contracts. There is also no change to trade registration hours via Titan OTC for the Equity Derivatives Contracts.

These revisions will provide market participants with an additional 15 minutes of continuous trading during T+1 session.

The list of Equity Derivatives Contracts and its revised T+1 trading hours are set out in **Appendix A**. The current and revised session state timings for the Equity Derivatives Contracts are in **Appendix B**.

---

<sup>1</sup> These revisions do not apply to NSE IX Nifty contracts on GIFT Connect, Singapore and India Single Stock Futures (SSFs). Singapore and India SSFs are currently available for trading only during T session.

- MTWN will be launched on 17 March 2025.

## Session State Timings

The current and new session state timings for the Equity Derivatives Contracts are as shown in the table on the next page.

### Description of session states affected:

- **TRANSITION (Change Clear Date, Reset Price Info, Remove Day Orders)**  
Day orders that still reside in the order book will be purged during this session. Trade statistics such as High Price, Low Price, Last Price, Volume and Turnover are cleared. Clearing date is rolled over to next business date.
- **ORDER\_CXL**  
This is a non-matching phase where cancellation of Good-till-Date (GTD) and Good-till-Cancelled (GTC) orders will be allowed. Order entry and modification are not allowed.
- **PRE\_OPEN**  
This is a non-matching phase where order actions such as order entry, modification and cancellation will be allowed. The allowed order types are Limit, Market, Market-to-Limit (MTL) and Session State Orders (SSO). The validity of the orders placed could be Day, GTD, GTC and Fill-And-Kill (FAK). Equilibrium prices will be calculated and disseminated throughout this opening auction.
- **NON\_CXL**  
This is a non-matching phase where order entry for Limit, Market, MTL and SSO order types are allowed. The validity of the orders placed could be Day, GTD, GTC and FAK. Modification and cancellation of orders are not allowed.
- **OPEN\_M**  
This is a matching phase and all 'match-able' orders will be matched on price/time priority. Orders actions such as order entry, modification and cancellation are allowed. The acceptable order types are Limit, MTL, Market, Stop Order and SSO. The validity of the orders placed could be Day, GTD, GTC, Fill-Or-Kill (FOK) and FAK.

For details on all other session states, please refer to section 3.2.1. Routine Session States of the Titan DTDC Environment Document at <https://www.sgx.com/titan-dt-dc-portal>.
